

SCHOOLWEAR
MADE EASY

Hello,

Due to the current situation we have decided to keep our uniform store closed until at least 30th June and await further Government Guidance.

We are still fully operational as an online business and we have staff available on 01463 222022 to answer any of your questions.

We will also be launching a new system where we can help with any sizing questions online, over the phone and even on a video chat.

We have a 10% offer running for your school uniform and this will last until 30th June. The code, to be input at the 'My Cart' area, is **Glenurquhart10**
